

Dr. James Stafford, a Vacherie, La. Dentist recently received a designation as a fourth year Qualified Member of the Crown Council at their annual event in Phoenix, Arizona on February 5, 2011. The Crown Council is an alliance of dedicated leading-edge dental teams with a commitment to the continual improvement of clinical, management, and patient service skills to create a quality practice.

When Crown Council members have demonstrated a commitment to continual improvement in every area of their practice, they may apply to be recognized as Qualified Members and if selected are honored at the Crown Council's Annual Event.

As recognized leaders in health, wellness and prevention, Crown Council members share their best with each other to create results far exceeding individual personal and professional performance.

They also share a commitment to making a difference by serving communities through charitable work such as The Smiles for Life campaign.
