

**Bayou Land Families Helping Families &  
Region 3 Assistive Technology Center  
Presents**

# **A T Tools for Math!**

**Do you have a child who struggles with computing, organizing, aligning, and copying math problems on paper?**

**Are you searching for a better way to assist your child with math?**

If so, join us as the Region 3 Assistive Technology Center presents information on a wide range of assistive technology tools available to help students who struggle with math.

This training demonstrates a variety of visual and audio supports designed to help students improve upon math skills in the classroom.

**Date: February 17, 2012**

**Time: 9:00am-12:00pm**

**Location: Terrebonne Parish Library {Gray Branch}**

**4130 West Park Ave, Gray, LA 70359**

**Anyone interested in attending this workshop to assist their child can contact Bayou Land Families Helping Families at 985-447-4461, 1-800-331-5570, or [ragaingray@bellsouth.net](mailto:ragaingray@bellsouth.net).**
